Report on Distribution of Masks and Sanitizer

On November 1, 2021, the teaching staff of Kala Mahavidyalaya, Adas, took a commendable initiative to support the local community during the COVID-19 pandemic. They successfully distributed masks and hand sanitizers to the residents of Adas Gram Panchayat.

This effort was aimed at enhancing the safety and health of the villagers by providing essential protective items. The distribution was well-received by the community, reflecting the college's commitment to social responsibility and public health.

The event underscored the proactive role of educational institutions in contributing to community welfare, particularly during challenging times. The teaching staff's dedication to this cause was appreciated by the villagers and set a positive example for others to follow.
