INSTITUTIONAL PERSPECTIVE FUTURE PLANS FOR THE YEAR 2018-2023 (Strategic Plan)

Our strategic plan focuses on the key priorities and achievements of the goal by 2024. We are fully focused on the strategy discussed and plan brought forward with the help and service along with the efficient leadership of Institutional Management, Administrative staff, Faculty, students and Alumni as well as University and external partners, to implement our plan and achieve our goals.

This strategic plan was developed by taking into consideration of the NAAC assessment and accreditation. It was discussed in IQAC and then incorporated in its final form. The plan was then presented to the Local Management Committee for their feedback and then it was finalized. The IQAC has decided to approve a participatory approach to gather suggestions, ideas from the various stakeholders. The interaction process included the meetings with all the Members of the IQAC including various HoD's. Recommendations from all these initiatives have been incorporated in the perspective plan. The institutional head and IQAC considered the quality indicators of certain criteria determined by NAAC. Also the framework of plan is inclined towards the development of institution that refers to quality sustenance and enrichment. It intends to cover socio-economic and overall development of the institution.

Sr. No.	Perspective Plan	Action Taken
	1. Infrastructure a	nd Learning Resources
1		
1.	To develop new classrooms	9 is ready and under use
2	To have one spacious multipurpose hall with LCD projector	One spacious common multipurpose hall with LCD projector is functioning
3	To have complete automation of Administrative Office	College Administrative office is fully automated
4	To develop Green campus and get audited by external agency	Green audit was done by external agency

		J. J
5	To provide Wi-Fi facilities to students and staff	Wi-fi network is made open in college campus
5	To have CCTV control on the college Campus	Now campus is under CCTV control
7	To develop a computer Lab for student and teacher Use	One separate computer lab is under functioning
	2. Curri	cular Aspects
l	To promote faculty members to participate in curriculum design and	Faculty have suggested various topics to university and the constantly review the curricular aspects of
2	review at university level Propose to augment academic infrastructure	New facilities with LCD projector have been added
4	To enrich academic skills of students	for interactive learning Students are given basic knowledge of computer and
	e y se fer e e e e e e e	how to use it for enriching their knowledge and to be updated with their field of interest in subjects of their interest
5	To involve new models in teaching process where ever necessary and availability	Faculties have started using specific models for teaching purpose which will develop critical thinking and analysis
	3. Teaching a	nd Learning Plans
ST 28		11
1	To promote the faculty to use ICT based teaching methodology.	A workshop was arranged by expert college staff about ICT use and now all the staffs use ICT to make teaching learning process interesting.
2	To use E-learning resources for teaching learning	Through ICT and availability of Wi-Fi facility in Campus both students and teachers use available resources like online classes related activities.
3 .	To promote Co-operate Learning	It is facilitated through Project work, on the spot study, guided teaching, library assignment, group discussion, seminar, debates, quiz, viva etc.
4	To Bring out social transformation through education.	Various departments are running various social activities like soil testing, crop management etc.
5	To Promote intellectual, ethical and cultural development of society.	The task is taken up by NSS department, where students are working with ground level villagers bringing education to practical effect by eradication of "Andhashradha, social awareness, cleanliness, tree plantations etc.
6	To conduct different programs for the slow learners as well as for the advanced learners	Each department of the institute is categorizing slow and advanced learners, and separate teaching learning method is employed to enhance their skills Remedial teaching is in progress in all departments
7	To introduce remedial teaching	1 1 1 - 1 has been put up to adopt approx. To students
8	To adopt few students by each teacher	from each class by every teaching staff so solve their personal as well as professional difficulty during their stay in college.
